OFF MY CHEST

Editor's Notes

I may have mentioned in a previous editorial that I love tits. Can't help it. When a chick walks into a room the first thing I look at is her boobs. I'm always looking for new models to bring you guys. I guess you could say I'm a bit obsessed with tits. It's a curse and an addiction, but it's a lot better the being addicted to alcohol or drugs and yet it has the same effect. I love putting these issues together for you guys each month. It's definitely a labor of love. This month we are featuring many of the girls from Lykens Entertainment. They supplied us with most on the models featured in this issue. Our covergirl is the incredible **Exotica**. I have shot her a few times over the years and she is always a pleasure. Not only is she great to have on the set, but she is one of the best models to ever step before my camera. We shot this set in Vegas during the Exotic Dancer Expo. Opening this month is **Holly Halston** doing what she does best. Very hot girl, very hot scene! Rhiannon discovered the **Burbank Bomber**. She is very old school with the big fake tits that I so love. **Jada Deville** and **Felony Foreplay** are a couple of feature dancers that spend about 50 weeks a year on the road. The day I spent shooting them in Florida was a lot of fun because these two epitomize what a feature dancer is all about – tons of charisma. **Naomi Knight** is a pornstar and feature performer with a lean body and a great rack. **Kitty Lynxxx** can be seen all across the country and is seen here in Gent for the first time ever. **Katy Parker** is just a big-tit porn slut that takes it in all her holes. You just gotta love that. **Elle Cee** brings her hardbody here for your stroking pleasure. I first shot **June Summers** during last years Expo and then felt the need to shoot her again this year. It was amazing to see how she had changed in a year. She still has that great body, only now she has so much more confidence in front of the camera... especially while she's sucking a cock. Speaking of which, that stunt cock is none other that Steve Nelson of AI News. He really stepped up and took one for the team... lucky guy! I've shot **Devon Michaels** many times over the years and she is on of the easiest shoots ever. She's fucking smokin' hot. Her body is perfect and she's a great model to point a camera at. I call her a "point and shoot", you never get a bad picture of her. **Robin Foxxx** is relatively new on both the feature and the porn scene, but she appears to be a natural. You'll be seeing much more of her. In "FoXXX on the Run" Amber gets together with the incomparable **Sara Jay** and the result is sexual magic. For the first time ever you get a first hand account of what it's like to fuck the unbelievable **Rhiannon**. Now I'm not giving the guy's name, but let's just say I have the inside dope. As I said before this issue features many girls from Lykens Entertainment. During the Exotic Dancer Expo some of them showcased and Gent was on hand to document it. You get an opportunity to see what these girls bring to various go-go bars across the country. That's not all we have for you, but that gives you a pretty good idea of what you have in store as you turn the pages. If you enjoy it as much as I did putting it together, than you're in for a very enjoyable ride. It's All About The Tits!

TALE OF TWO TITTIES...

UP & CUMMING

Dear Mr. Fury,

I'd be thrilled to see my letter in Gent. Please convey my compliments to all the busty beauties that give me such pleasure in each issue.

I am a retired senior citizen living alone. I recently turned 73 and, as you can guess, at my age I need all the help I can get to get up and off as often as I'd like. I rely on Gent a lot.

After enjoying your December 2007 issue, I am writing to tell you that it is the most cock-stiffening magazine I have seen in several months. Puma is especially thrilling. I have seen her numerous times over the years but nobody has ever done her justice, until now. Her layout in the white man's dress shirt is amazing, but when she wets herself down with the garden hose, it gets downright incredible. Puma does for me what very few nude models can do for an old geezer; she gets me hard again within minutes of shooting my first load over her. When a girl does that for me, I truly appreciate it.

I've also noticed that Gent, more than most other big-tit magazines, features girls whose faces could grace the covers of leading mainstream glamour and fashion magazines. I'm thankful that your models chose Gent rather than some of the other magazines, so that all of us grateful readers can enjoy all those wonderful tits as well as their gorgeous faces.

Keep up the good work and I'll remain an "up and cumming" senior.

Carl Jenkins
Philadelphia, PA

Dear Carl,

Glad we could lend a hand to your masturbatory pursuits. Each month we try to bring you the most beautiful big-tit models on the scene.

RHIANNON – THE HOME WRECKER

Dear Rhiannon,

My name is Henry. I am 30 years old and I just got a divorce, because of you. It all started when I first saw your picture in Gent. I fell in love with you the moment I saw you. That's when my marriage started to go down hill. My wife caught me on the computer looking at your website and jerking off. Then she found the copy of Gent. But the final straw was when I screamed your name out while having sex with her. Now, with

her out of the picture, I can pursue my fantasy, which is you. I'm hoping I can get to meet you. I've included my phone number as well as a picture of myself, so you can see how good-looking I am. I have never met a woman that can compare to you and I would do anything to meet you.
Love, Yours Truly,
Henry
Staten Island, NY

Dear Henry,
I am truly touched by your devotion. It's not everyday that I can break-up a marriage without even meeting the guy. Perhaps one day we'll get the chance to meet.
OXOX,
Rhiannon

Dear Gent,
I'm 46 years old and divorced. I have just bought the January 2008 issue featuring a galaxy on mega-titted stars. I have always love huge titters. I have enjoyed endless wonderful wanking over silicone lovelies especially Rhiannon with those fantastic fuckable lips and unbelievable tits, Chelsea who is beautiful with incredible big boobs and Alena Snow who is stern looking but has stunning tits. My all-time favorite is Keisha Evans whose mighty creamy white mega-mammeries make me cum with ecstasy.

Thanks to Gent I have now fallen in love with Teddi Barrette. Last night I had a mega-wanking session while using nipple clamps, a cock-pulled device and a whip while staring longingly at Teddi and her strong face and super-mams.

Tonight I will have another long session with baby bottles and dummies and milk and alcohol and have a lovely time with Teddi and Keisha's beautiful large breasts.

I long to meet a girl with huge droopers down to her waist which could smother me.
Paul
Paris, France

Dear Gent,
I just spent the entire weekend with the Monster Tits Issue (January 2008). It was way past due. I love those freaky big-titted Goddesses. Rhiannon has been a favorite of mine for years and here she never looked better. There has never been such an incredible creature. It amazes me that she can carry around those magnificent orbs on such a tiny frame. She is truly unbelievable!

It was wonderful to see Teddi Barrett. She hasn't been in magazines very much, so it's great to see her here. Chelsea Charms is another one that I'd love to see more of. Minka and Harmony together was quite a nice surprise. Keisha Evans tits are beyond description. Deena Duos looks as good as ever, as does Crystal Storm. Savanna Synn is amazing. Alena Starr is another great example of "slim & stacked". And seeing Pandora Peaks and Sarenna Lee was a very welcome surprise.

When you say, "It's All About The Boobs", you ain't kidding. Keep up the good work.
Eddie
Davenport, IA

Dear Eddie,
Putting that issue together was a labor of love. Unfortunately, this collection of super models is about all that's left from that era. As each one retires, new girls are not replacing them.
Anton

One of the best parts of doing this column for Gent, besides all the fucking, of course, is meeting so many cool people in the adult industry! Getting a chance to meet the editor, Anton Fury, fellow columnist and associate editor Rhiannon, and all the behind the scenes people that make Gent work has been one of the highlights of my life!

Sometimes the sex and the people come together. Recently, busty and bootylicious Gent girl Sara Jay came to a city near me! I took a look at her website, www.sarajay.com, got in touch with her to see if she might like to make another appearance in Gent with me for Foxxx on the Run, and then impatiently waited to hear back from her. Once I got the answer (which thankfully for you and me was a big yes!) I was in my car and on my way to hang out with the one and only Sara Jay!

I arrived at her place and to my most pleasant surprise she answered the door naked! I am usually not one to stop and stare, but in this case I had to make an exception. I don't think she took notice at the time since she was heading back to the mirror to finish touching up her make-up. I took a seat in the other room and she hollered out that she was almost ready.

I waited patiently, enjoying getting to know a little bit about Sara and some of her adventures in the adult industry as a busty starlet, and I learned more and more personally why she is one of the most popular performers around to work with. She loves what she does, and it showed up perfectly to me when she came out, cuddled up next to me, and pressed her bountiful breasts up to my magnificent mounds!

Sara's nice full rack felt heavenly next to mine, and

I reached up to feel and caress what I had fantasized about the minute I saw them for the first time in Gent. At the same time, she had grabbed for my tits and was admiring what I had to offer. We mashed them together, comparing every aspect of our most protruding parts. We rubbed our nipples together, and the tingling sensations had me to craving more!

Sara must have felt the same way, because before I had the chance, the horny bitch had moved her way down to take a taste of my snatch! I couldn't believe that I had met another girl who was as into pussy as I am, but here she was, reading my mind and moving on to one of the things I love most! She buzzed her tongue on my clit while I squirmed my hips under her touch. Sara's touch was thrilling, and I just had to return the pleasure she had been giving me!

Her pussy was as sweet as any I had ever tasted, and she responded with as much enthusiasm as any woman I have ever played with. I buried my face between her legs, and when I came up for air she grinned at me and pointed to the dresser next to me. I opened the drawer and pulled out a fat strap-on cock, which she sweetly asked if I would fuck the shit out of her with!

I couldn't resist such a polite request, so of course I buckled myself into the harness, bent her over the couch, and slipped the toy into her waiting cunt. I slid it in slowly at first, but it only took a few strokes before her primed and ready pussy was ready to take the whole thing as hard as I could give it to her! It was awesome watching her ass bounce back and forth as I drove the toy into her, and I was mesmerized by the sexy tattoo on her lower back. Sara's pussy lips gripped the cock delightfully, and with every stroke I was checking out her fleshy

folds pulling it back deeper and deeper inside.

She drew herself forward off of the big rubber dick, reaching behind the couch to bring out another surprise for me, an 18-inch long double-headed dildo! She said that since I had been doing such a good job of taking care of her cunt, I deserved to get some snatch filling goodness for myself. She took the long dong and slipped half of it up into her own snatch, then she motioned for me to come and join her, and cum I did! I buried the other end up my own cunt, and with that same motion I pressed my clit right up against hers and we ground our pussies together.

She reached over and pulled on my nipples again, and I got off again and again from all the sensations going on around me. My pussy tingled and quivered as I came hard, my entire body shuddering. I started coming down, and just as the shudders were ending, Sara's snatch clenched tight and she came hard one last time and our bodies collapsed together on the floor.

I embraced her and thanked her for meeting me, our naked bodies fitting together just right, and gave her pussy one more deep lick goodbye before she had to move on to her next project and I had to go find some cock to fuck!

I have to tell all you readers that Sara Jay is tops on my list of Gent girls to hang out with, and I can't wait for the next busty superstar that I get to meet up with! Thanks again to Sara Jay, and a big thanks to everyone who makes this column possible, especially you, my readers and fans! Keep on cumming!

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • APRIL ISSUE #133

KITTY LANGDON

I met Kitty for the first time when I was 1st camera for a shoot in Hollywood. I promised her I'd shoot her myself back then and every time I saw her since she would come up to me and try and pin me down as to when. The idea of getting pinned down by Kitty Langdon was so appealing to me that I ended up making it happen and got a good MiniView out of it to boot!

Kitty appears to have jumped into the deep end. Her first movie was "Asian Size Queens" with Jack Napier for West Coast Productions. She says, "I love to be in front of the camera... I love cock!" She loves facials, and adds, "I'm a tease as well."

Kitty is a smart fortune cookie! She speaks 4 languages; Vietnamese, Chinese, French and "Engrish". (Yes, she really said that. She's got an awesome sense of humor too.)

Kitty was a swinger for 4 years previous to getting into the Industry. She started making movies in April 2006 after a late Christmas present in January '06 of a boob job. Kitty sports a rack of 36D, measures 36-24-34 and has nice, perky nipples.

If you are at all into alternative lifestyles you'll love the fact she's promoting a convention at the Hard Rock Hotel in Las Vegas. The entire hotel is rented for the event and Kitty's appearing there with the Digital Playground girls and Shay Jordan. Go to PlayPalsConventions.com and read more.

Ms Langdon is into everything! Check out her KSEX radio show where she's co-host of the "Me So Horny Show" 9-10pm pst every Wednesday with Kaylani Lei. (KSEXradio.com) Also, look for her at Rude.com/KittyLangdon, her Yahoo group at http://groups.yahoo.com/group/kitty_langdon_fans and CherryTap.com/KittyLangdon

Want to book Kitty? Go to her official website MsKittyBangBang.com. xPeeps.com/KittyLangdon and MySpace.com/DV8Lifestyles are other places you can find this energized fuck bunny.

Her latest releases as of this article are Superwhores 9 from Mercenary Pictures and Afro InVasian 3 from The Candy Shop.

CANDY MANSON

I cornered Candy in the back of Rouge Gentleman's Club before she got ready to go on for the L.A. Direct "Big Boob Bonanza" night. I love listening to her talk. What an accent! Ever been to Chicago? Just the sound of her voice makes my dick hard!

"So what's up, Candy?" I say.

"Workin' every day," she says, "Doin' a lot of shoots traveling to Las Vegas and Arizona. I wanna max out working and save money to have my boobs re-done in November."

Candy was 20 when she had her first boob job. She wasn't happy with them so had them re-done as soon as she healed. They look great now! And she's goin' BIGGER! She also wants more lipo, touch ups on her face, a top lip fat transfer and isn't afraid to talk about it. "I mean why not", she says, "Might as well look as good as you can..."

Candy's was supposed to be using Dr. Jacobs in New York and getting "gummi bear" tits. (Dr. Jacobs recently surrendered his license in a whirlwind of lawsuits, so he's out of practice. Editor) I now imagine her tits filled with gummi bears and have a very strong urge to suck them. Evidently there's a material soft and squishy like real tit-flesh that is now available for implants. Her tits are great now and the thought of them bigger and filled with gummi bears is almost too much stress for my zipper. It's pretty expensive, though, $16,000! She says, "Rather get ripped off than fucked up."

Candy likes pussy hair. She has a nice trimmed little patch she showed for the camera. She likes a little on other girls too. She said, "The more you go tanning the more your pubes lighten." That segued her into a story about how she was riding in Carly Parker's car and her spray-on tan came off and stained Carly's white leather seats.

Find Candy at CandyManson.com, MySpace.com/CandyMansonXXX When I asked her where else I could tell people to find her she says, "I'm officially a DungeonCorp contract girl now and gotta check it out... Google me, Bitches!"

TIT BITS

Last column I told you I was at Starz Gentlemen's Club in Killeen, Texas. How did I get there? After shooting all week in Vegas with Gent Editor-in-Chief Anton Fury I met up with Destiny B. Wilde and her handler Mandy. We met at the Orchid Lounge in Mandalay Bay, where between Destiny flashing her tits, sitting with her legs spread and her feet in the air, I found out they were having trouble with the girl who gave them the ride out to Las Vegas. I told them if they ended up stranded I would drive them home to Killeen, near San Antonio. Good thing I stuck around Las Vegas, because apparently their ride turned psycho.

We stayed an extra day when Destiny and Mandy expressed a desire to "leave something in Las Vegas". They found another guy and we had their first 4-some. These girls are unbelievably wild! I'm talking about sex-in-the-hotel-hall kind of wild!

While I was going at it with Destiny on the bed, Mandy and her friend were in the chair fucking really hard. She was on top - and when she went up, he popped out, she came down, and he thrust up - hit and pulled her pussy lip and ripped it! (We now call him "Blade".) Mandy actually fucked so hard she broke her pussy!

The next morning I woke up between the two girls and we discovered that the night before Mandy had slammed a car door on her wrist and broke it. I took care of it at a local clinic for a few hundred bucks and we barely had enough between us to get to Texas!

Next stop, Porn Valley, where PAW (Protecting Adult Welfare) was having a Bare Bowling charity event. The PAW event was a blast! I brought and set up a lapdance booth for photo ops and there were naked girls all over the place!

Some of the big-boob names I remember were Cara Lott, Raven, Kylie Worthy, Anita Cannibal, Jen X, Palinee, Destiny B. Wilde and a number of STUNNING big-titted girls whose names I wish I had written down. If you ever have a chance to go to a PAW event, DO IT! Look for the announcements on Adult Industry News (AINews.com).

After Bare Bowling Destiny, Mandy and I piled into my car and were off to Texas. I've got to tell you, those two sexpots made the drive most enjoyable. A dozen condoms and fifty rest stops later we rolled into the Lone Star State.

When we arrived Destiny was supposed dance at Starz Gentlemen's Club, 4300 S Fort Hood St, Killeen, TX to earn enough to get me home and pay me back for Mandy's hospital bill, but didn't even have time to get enough for her plane ticket to her next gig! Fortunately, we had enough between us by then for me to drive Destiny to Dallas. Dallas, SOUTH DAKOTA that is! Again, the ride up there with Destiny gave stopping at rest stops a new meaning.

There's a club in Dallas, South Dakota called Cody's Bar and Grill where each year during pheasant season there is an influx of hunters from all over the country, who after an exciting day in the corn fields stalking pheasant, flock to Cody's to stalk a different kind of bird. Destiny has gone up there for a few years now and she loves it! All the girls live in one house with one bathroom.

Novelty Feature extraordinaire, Scarlett Rayn, was the first girl to arrive this year. The last time I had seen Scarlett was across a table in a Las Vegas restaurant where a bunch of us caught a bite at the Exotic Dancers Expo. Scarlett gets up at the crack of 10 to make sure she turned the oven off and jumps when I say "good morning" to her, because she's without her glasses. I wish I could have stayed longer but Destiny sent me happily on my way to make it back to California in time for a scene with Teri Weigel the following week.

I make a short stop in Denver to see an old girlfriend and upload my last completed column. Then it's back through Las Vegas to L.A. I make it in good time. Now I'm in a motel room in San Francisco interviewing for a new editorial assistant and working on my next column. Don't miss the next issue of Gent for TitBits about the Nightmoves Awards and the Tampa Show.

Write me and let me know if there are any girls you would like to see featured in "The News Rack". Steve Nelson, at Editor@AINews.com subject: "Gent Column", or at www.MySpace.com/ReadAINews.

Rhiannon's

Breast Of Times

While I don't do XXX for the magazine, (there are pix of me getting fucked on RhiannonXXX.com I thought I'd let my sex-toy/partner tell you what it's like to get into my hot pussy. As you know I love playing with girls, but there is nothing like a good stiff cock pounding my tight cunt. Here's his story.

I've been with Rhiannon for quite a few years now. Fucking her is nothing short of astounding. Her body is built for sex and she always uses it to it's fullest potential.

Although, over the years we have had sex in fitting rooms in department stores, bathrooms in clubs, outside in broad daylight, on the sets of her photo shoots, cars and the occasional cheap motel, it's always at home when things really heat up.

I'll set the mood by lighting a bunch of candles and putting on some music. We like to start out with a massage in which I use a warm massage oil and work it all over her body. This pretty much puts her to sleep. Once I've covered her entire body with the sweet oil I'll ease down and flick my tongue across her clit. This wakes her up quickly. I slide my oily hands under her tight ass cheeks and pull her tightly onto my face. I suck her clit between my lips and flick across it repeatedly. I feel her body quiver in my hands. I back off her button and slide my tongue deep into her dripping slit, while using my upper lip to continue lapping her clit. I pull her tighter still. I slip my tongue out of her cunt and slide lower until it rests at her backdoor entrance. I pick her ass up a little higher and stab my firm tongue into her sweet ass-hole. I push her knees up so I can get full penetration and slide my tongue in deeper. She loves it and she begins to gyrate her hips.

By this point my cock is so fucking hard that it's getting uncomfortable. I pull my tongue from her ass and slowly creep up her body, kissing every inch along the way. When my lips are even with hers, the head on my throbbing cock is beginning to slide into her smoking pussy. It easily parts her lips and slowly moves inside. There is absolutely no greater feeling in the world than feeling her tight cunt lips caressing my steely shaft as it goes deeper and deeper. Finally, her tight cock sheath encases my entire shaft and I start to slowly pull out. When only the head remains, I firmly thrust back in. This serves to take her breath away and she pulls both knees up to allow even deeper penetration.

I wrap one arm around her neck, pulling her close and the other moves down to get a grip on her incredible ass. I grind firmly down on her swollen clit while sliding my throbbing cock in and out. My lips fall onto hers and I slide my tongue between hers. She greedily sucks it in. The passion is indescribable. The grinding of our hips continues for a few minutes until I feel like I could spurt with one more stroke. We can't have that, so I pull my dripping gooey dick out.

I roll her over onto her hands and knees and ease in behind her. My cock instinctively seeks out her hot slit and easily slides all the way into her hot dripping cunt. I take her hips in my hands and start long-fucking her, pulling nearly all the way out, before slamming back in, balls deep. My hands squeeze her ass-cheeks and push them up to totally expose her hot slit. On each stroke, my balls slap her throbbing clit. Her moans are coming loud and strong as I give her every pulsing inch of cock. There is nothing hotter for me than to look down and see her pussy lips stretched around my thick shaft.

Her little butt-bud is winking up at me. I wet my thumb with spit and slip it into her asshole. As my thumb goes deeper, I can feel my cock stroking through her pussy wall. After a few minutes I pull out of her twat and place the head to her back hole. She pooches her butt up to as if to say, "Yes, please" and I push forward. Her

tight hole begins to open and the tip of my dick pushes in. It takes a minute for her butt-bud to allow my entrance, but once it does, the rest of my shaft slides easily in. Her ass-hole is stretched to it's max as I begin fucking it with extreme passion. I still have a grip on her tiny hips as I slam into her ass repeatedly. She reaches back to rub her screaming clit as I pummel her perfect ass.

Again she has me right on the edge of a major eruption. I hold on until I feel my balls start to churn the boy butter and at the last second pull out.

I flip her over onto her back and push her knees up as far as they'll go and then push my cock back into her smoking little ass-hole. Now I'm on a mission. I wrap my arms around her, pulling her body as tightly into mine as I can and grind my groin down on her clit. She grinds back against me as I begin to slide in and out of her ass, never pulling off her love button. We grind together with nothing but animal passion to get off. Her cunt juice is running down to lube my cock as it fucks her tight ass.

After only a few minutes I can feel her ass-hole tighten around my dick. Her breathing gets shorter and her entire body tightens up. The moans start deep in her throat very low. Each one gets a little louder and a little stronger until she's totally out of control, digging her nails into my back as her orgasm engulfs her, sending me over the edge. My cock throbs and pulses finally spitting streams of cum deep into her bowels. Blast after blast coats the inside of her as she continues to grind away until I can feel my juice squishing out around my still firm shaft.

There is nothing better in the world than shooting a huge loud into any of her incredible holes, all of which I have filled with my creamy goodness.

I could not have a better partner both in and out of bed. But I have to admit, I prefer her in bed!

A FOUR-STAR FUCK: THE ROLLING BONE REVIEW

WRITTEN BY DICK INNERHARD ILLUSTRATION BY AARON WARNER

It's not a good time to be a music critic.

I used to love this job for all the free music I was sent from my editor and bands trying to make it big. But now the bands suck, the music sucks, and the music business is dying. There's increasing pressure to write good reviews for bad artists so people go buy CDs and keep the music business humming so everyone keeps their job and the magazine stays in business. All we write are good reviews just so we can get interviews with the big artists. That's how I met Sheria.

Sheria was supposed to be the next Britney. She had a teen show on Nick, then some Clearasil commercials, then a "hot new album" made during her MTV reality series. This stuff is so pre-packaged I don't even read the promotional packets anymore. Her people were trying to get her on the cover for a while. It's traditionally been a music magazine, but more and more we put some yummy pop-tart on the cover just to keep ourselves employed as their mindless fans make it our biggest selling issue of the year and our bills get paid. With that being my attitude, I was not looking forward to the big interview with the up and coming Sheria.

She was exactly one hour and forty-five minutes late for our interview, which is also standard practice so we can write about how "busy her schedule is" and how "glad she could squeeze us in her busy schedule". She came into the small piano bar of the Ritz alone. No manager. She was nineteen, excited to be working in the music business, of course, and then wanted to show me some of her pictures of her friends or family or who-the-fuck-knows, and I said okay and we were in the elevator on the way to her room. Just the four of us: Sheria, myself, and her gigantic left boob and her huge right tit. Nineteen year old, my ass! Up close and in the bad lighting of the elevator she was definitely in her mid twenties, and the boob job was making my mouth water. What a tease. The elevator jerked to a stop at her floor and her sweater bounced like she was sneaking melons into her room.

We talked and drank from the mini-bar, and started making out, which didn't surprise me. I'm about as hunky as a rail fence, but this happens a lot. The girl wants a great write-up, with lots of sexy inside jokes and shit so she sounds hot and irresistible, and that's done by making out with the writer of the article.

Her long blonde hair kept getting caught in her sweater, so she eased back and slid it over her head. I stared at her huge breasts as she did that. They swelled and fell free with no bra holding their incredible weight. She had this planned when she got dressed for the interview. I reached out grabbing those huge famous orbs and squeezed. She moaned and I squeezed again. They felt so good. Her fat boobs oozed out between my fingers and flopped around inside my hand.

Tongue fucking my mouth, her hands slid down and started loosening my pants. We made out like teenagers, eating each others faces, while I fondled her and rolled her nipples in my fingertips. I felt her long fingernails slide under my balls and scratch at the rim of my ass as my cock stood out and pointed at her tits. Her hand felt good, slowly jerking me off, stroking and pulling me until every muscle in my cock was throbbing and the big fucker was purple and fat.

Without warning, Sheria clamped her mouth around my pecker and sucked it up. Her little blonde head bobbed up and down and she made the loudest slurping noise ever. She slid up and down and over the side, catching slimy pre-cum like a frothy milkshake running over the top of a glass. Slurp, schlurp and shlurp, as her big red lips slid over my hard meat. She rubbed the head of my dick against her face, licking the side as it rubbed her nose and cheek. She looked at me watching her and popped my boner in her little mouth once more before making a loud pop as she pulled away from it and it stood hard, looking at her like, "What's next bitch?"

She stood to pull down her short skirt, and I peeled the rest of my clothes off, as well. She jumped on top of me, pushing me to the bed, saying something like she never does this, and her big fleshy tit-bags enveloped my face as she rubbed my dickhead against her pouty pussy. I sucked on each pink nipple until it was as hard as my cock. She kept stroking me and leaned back for another suck on Big Rocky and she looked as though she would sing right into my throbbing dick. Her mouth opened and she held it like a microphone before devouring the veiny beast.

With me on my back and this little minx on top, I couldn't wait to sink my shaft right up her hot twat. This big titty bitch was going to feel my raging boner all the way to her voice box! I grabbed her slim hips and sat her down hard on my pulsing arrow as it plunged deep into her quim. She bounced on that fat fucker like a joyride, getting a rhythm going quickly and taking it deep. Her pussy slopped away and smacked at the fucking it was getting, and her tits jumped and bounced against her chest and mine. She lifted one to her own mouth and sucked herself, while I clamped on the other and sucked it, too. Her tight pussy worked away on my prick, begging it to burst and spray her insides with warmth.

Finally, tired of bouncing endlessly on my patient rod, she popped off and moved down until the purple giant slid clumsily in between her titties. I held her floppy boobs on each side of my erection and titty-fucked this big titty bitch as she moaned and showed more energy than any previous performance. Her eyes rolled back in her head as I fucked her cleavage. My balls were pressed against her belly and my cock was pointed right at her face. Her big boobies moved and wobbled like adoring fans, watching my every move. I knew she was fingering herself and starting to get off. She took my cock and popped the bastard in and out of her mouth with every thrust to her magnificent rack.

My first wad shot against her face, hanging and squishing as she quickly forced her lips around my bucking pudwacker. Another blast of hot milk went deep down her throat as she sucked me off, and brought her sticky, pussy-rubbing hand around my thick shaft and squeezed out every drop.

I laid back, catching my breath and she slowly nursed my wilting cock, tonguing the hole for every drop. Her fingers made a goopy noise as she slid her own digits inside and out of her wet pussy, coaxing her own climax. "Hope you liked it," She said, easing garbled words around my dick still stuffed in her mouth. And even though she sucked that night, I gave her album a decent review.

FEATURING LYKENS ENTERTAINMENT

Every year Exotic Dancer Magazine holds a convention in Las Vegas for gentleman's club owners and Feature Entertainers to come and network their products and skills. This was the 15th anniversary of the convention and it was also the year Lykens Entertainment came back to showcase some of their talent at the Olympic Gardens in a star studded showcase. Lykens Entertainment was the only agency at the convention to have a showcase for the club owners to come and view the talent for future bookings in their clubs. Where else can you go to see 13 of the most beautiful, energetic and entertaining women perform their award winning shows in one night in the same place? Performing in the showcase were a variety of entertainers from adult film stars to multi award winning showgirls, to girls that are just starting out their careers as featured entertainers. The gorgeous line-up included, Kitti Lynxxx, Schevelle, Serenna Starr, Elle Cee, Robin Foxxx, Eva Lauren, Jada DeVille, Alyssa Chase, Nina Ferrari, Erika Eve, Rain, Naomi Knight, Felony Foreplay and the duo of Twizted Tailz. Included in the performances was a gravity defying pole champion, an ice princess, a dominatrix, a rock star, a little girl, willy wonka and a old lady janitor named Ethel, just to name a few. I almost forgot about the comedy routine of Twizted Tailz disguised as Minnie and Donald. Please enjoy the pictures and if you would like to see any of these entertainers in your club, contact Lykens Entertainment at 863-815-0935 and visit their FREE website at lykensentertainment.com.

BUSTY MACHINE FUCKERS

STARRING: Abby Brooks, Sheila Marie, Ms. Panther, Harmony Bliss, Sara Jay, Candace Von, Gianna Lynn

DIRECTED BY: Samson Knight **RUNNING TIME:** 155 min.

Canoga Park, CA - New series Busty Machine Fuckers pioneers new territory as FYA Independent becomes the first American company to launch the burgeoning "machine sex" fetish genre in regular release. Starring Abby Brooks, Busty Machine Fuckers actually blends two genres, including big boobs, an FYA mainstay. "This is not a new genre to the European and Internet markets" says the series producer. "It has been around, but no one has combined it with the big boob genre and no one in the United States is marketing it at present. This is a series with real promise and with the alluring Abby Brooks as the central figure, we can't lose." Abby Brooks is on a mission to take her women clients into a realm of ecstasy to experience the hum of a "fucking machine." Abby's practiced hands and mouth augment the machine's piston movement as she licks, spits, kisses and caresses these ladies in every way. Abby's first believer is Harmony Bliss who lets the machine fuck her cleavage before plunging it in to her steaming snatch. In the second scene, Sara Jay takes on an extremely oversized black dildo, nearly swallowing it whole before sliding it in to her glory hole. Abby has a special surprise for the Nubian goddess Ms. Panther, who falls for a very big white dildo sticking obscenely on the end of the fucking machine rod. Then, the sweet and fresh Kelli Tyler has no clue, but after Abby inserts the dildo and fingers her cunt, she turns into a machine slut junkie. Candace Von quickly gives up all pretenses and turns into a machine fucking whore while the diaphanous Gianna Lynn in scene six also can't get enough machine. Scene seven includes Richelle Ryan who looks Abby in the eyes while the dildo is fully inserted and spit is hurled directly on her pussy. Finally, Abby applies her magic on the "girl next door" Sheila Marie, who also falls under the spell of the fucking machine. Don't miss this unusual title in a growing specialty genre like no other. **DDD-CUP**
